Dear Partner of Impact,

In October 2015, Matt Bell was in detox and decided that he HAD to do something different. On October 17th, 2015, just a few days clean and sober, he named the organization - "Team Recovery", made a commitment, and began having late-night meetings with some other teammates to discuss their grand plans for what they thought their community needed. After experiencing treatment in Northwest Ohio over and over, they noticed a lot of significant gaps in the services that were offered. Therefore, they began to plan how they would fill those gaps. They put pen to paper, and put their boots on the ground. Their philosophy of "a new approach to an old problem" was born, and the spark of their grassroots agenda turned into a flame. None of them knew at the time that that flame would turn into a wildfire that their city desperately needs. The mission that Team Recovery is carrying out is so important that the city of Toledo's mayor has officially declared October 17th as "Team Recovery Day" in Toledo each year. Team Recovery's goals have shifted and evolved to continue to meet the needs of their community, but their philosophy has always remained the same..."a new approach to an old problem"

Since then, Team Recovery Ohio Inc. has become a 501(c)(3) Non-Profit Organization serving Northwest Ohio and Beyond. Our mission is to "Passionately and enthusiastically carry a message of strength and hope to anyone affected by the disease of addiction" We Do this by placing a focus on our seven programs; Families After Addiction or Death (F.A.A.D), Recovery Support Group meetings, Addiction Lifeline, Speaking Engagements, Recovery Subcommittee, Veteran Housing, and Peer Recovery Services. We are able to provide these program services/initiatives through charitable donations and local/state/federal grants. Strong support systems are important and needed by those dealing with addiction and recovery and that is why we provide these services. We are passionate about creating a safe and inclusive environment where individuals can come together to share their experiences, offer support, and learn from one another. Without the support of our community, we wouldn't be where we are today, affecting hundreds of lives a day.

To assist us in strengthening our programs and continue to serve those in need in our community, we are seeking additional support from those in the community to assist in raising additional funds for our program needs. We are hosting our Quarterly Event, "Driving Out Addiction" which will take place on August 28th at Highland Meadows Golf Club Located at 7455 Erie St. Sylvania, OH 43560. This event's core focus is to raise funds to support our seven programs. In order to make this event a reality, we are seeking the support of organizations and individuals like you. Your contribution will go a long way in helping us to provide the resources necessary to not only make this event a success but allow us to build on our programs. Whether through financial support or in-kind donations, your generosity will be greatly appreciated. As such, any donation or contribution made towards the event will qualify as a charitable donation for tax purposes. We believe that by working together, we can make a real difference in the lives of Anyone who is struggling with or Affected by addiction.

We thank you in advance for your support and generosity. If you have any questions about our organization or event, please contact us at the above contact information.

Sincerely,

Matt Bell, CDCA II, QMHS III  
Chairman of the Board
